

Immunity & Ageing に発表された論文 “Slower immune system ageing in women versus men in the Japanese population “ が週に一度発行される Human Immunology News (1.10、June 21) に採用され、多くの人を知るようなメディアに載りました。Human Immunology News は weekly e-newsletter という云わば週刊誌で、最近の注目すべき論文を採用して広く行き渡るように企画している媒体です。

Dear Dr. Hirokawa

Congratulations on your recent publication that was highlighted in [Human Immunology News 1.10](#). This exposes your publication to numerous researchers in your field. If you do not already subscribe to this newsletter, please register [here](#).

As a human immunology researcher, you may be interested in learning about the [products and tools](#) that we offer for isolating highly purified, functional human immune cells. Please visit our website to view our [educational webinars and videos](#), and other [technical resources](#). You may also be interested in the [Human Immunology Portal \(HIP\)](#), a free, online resource for scientists studying the human immune system. HIP features technical tips and protocols, tools, scientific reviews, webcasts, and events related to human immunology research.

Please feel free to contact me to discuss how we can further support you in your research. Congratulations again and all the best in your future research!

Sincerely,
